

# Compose. Arrange. Teach. Share.

## Finale is for everyone

Experience the exhilaration of hearing your music performed, the joy of watching your students excel, and the satisfaction of effortlessly producing beautiful scores.

Whether you are capturing the music of your imagination, or efficiently producing parts and scores, Finale quickly transforms your notes into living, breathing music.

- **The world's standard** in music notation software.
- Join more than **2.5 million musicians** worldwide who prefer the Finale family of notation products.

“I consider Finale to be  
**indispensable**  
in my compositional process.”

– Grammy and Pulitzer Prize-winning  
composer Jennifer Higdon
