and more...

Garritan Personal Orchestra™ 4.0

A complete orchestra at your fingertips

Garritan Personal Orchestra is state-of-the-art software that reproduces the sounds of the musical instruments in a symphony orchestra directly from your computer. The award-winning Personal Orchestra has set the standard for orchestral sample libraries.

A high-quality orchestral instrument collection

More than 150 orchestral instruments—lush strings, intimate woodwinds, joyous brass, powerful percussion, a Steinway virtual concert piano, Stradivari violin, a glorious concert organ, heavenly harps, select Project SAM brass, and more.

ARIA instrument player included

The entire orchestral collection is integrated with the ARIA Instrument Player and works as a virtual instrument. No need to purchase a separate sampler.

Ensemble building

Garritan Personal Orchestra provides multiple individual instruments from which you can build your own ensembles and orchestras. Construct solos, duos, trios, quartets, chamber groups, sections, or a full symphony orchestra—they way you want.

Intuitive controls

Garritan Personal Orchestra allows you to express your musical ideas quickly and easily. Just load your instruments and play. Standardized controls allow you to become familiar with the library quickly and master all the instruments.

Universal format

Garritan Personal Orchestra supports all popular formats, Mac and PC, as a standalone program or as a plugin (VST, RTAS, and OS X Audio Units), works with supported notation programs, and works in 64-bit operating systems.

System requirements

3.5 GB of free hard disk space.

DVD drive required for installation.

PC: Windows® 7, Vista®, or XP®, 1.8 GHz Core 2 Duo, 2.8 GHz CPU Pentium 4 (single core), or better.

Macintosh®: OS 10.3 or higher, a 1.8 GHz Core 2 Duo Mac Intel or better.

Hard drive speed of at least 7200 RPM.

A sound card compatible with ASIO, DirectSound, Standard DirectSound, MME, or ASIO drivers.

A MIDI or USB interface may be required if using an electronic keyboard. An 88-key full-size keyboard with Mod Wheel and assignable controllers is highly recommended.

To play an entire orchestra, we recommend 2 GB of RAM or more.
