## EDUCATOR PRICING

Educator Subscription – First computer for an educator – \$140  
 Each additional subscription for the same educator or their practice rooms – \$36

## SMARTMUSIC EDUCATOR SUBSCRIPTIONS

- Educator subscriptions can be purchased by school teachers and private teachers. Use additional subscriptions for practice rooms.
- Educator subscriptions default to renewing automatically. We'll remind you at the appropriate time via e-mail and letter, and will invoice you automatically. You can opt-out of the automatic renewal on this Order Form.
- If you would like to pick a different renewal date, just contact us at 866-240-4041 or visit [www.smartmusic.com](http://www.smartmusic.com) to order.
- The SmartMusic gradebook is a web-based tool that lets teachers manage, grade, and document assignments for students, and is included free with all educator subscriptions.

## SMARTMUSIC FOR STUDENTS AT HOME

- School educators and private teachers with an educator subscription can offer SmartMusic to their students to use at home for just \$36 per student per year.
- There are two options:
  1. **You administer the purchase.** You order your students' subscriptions, collect payment, and distribute the SmartMusic CDs and accessories. Your students activate their subscription with a code you choose. All your student subscriptions will begin on the same date for easy renewals.
  2. **Your students buy subscriptions directly from [www.smartmusic.com](http://www.smartmusic.com).** The CD and accessories will be mailed directly to your students (shipping charges apply). You do not collect money or distribute CDs and a code, but your student subscriptions will have different end dates based on when they were purchased.

## SUBSCRIBER AGREEMENT

At least once per year you must visit the [www.smartmusic.com](http://www.smartmusic.com) website for a brief time so we may capture usage data from your computer in order for MakeMusic to pay royalties to the composers and music publishers.

## OTHER INFORMATION

- Internet access is required.
- Notation is displayed on-screen for band and orchestra titles, exercises, methods, and selected solos. Sheet music is sold separately for solos and collections.
- A SmartMusic microphone is required to use Intelligent Accompaniment®, the tuner, recording, and assessment features.
- SmartMusic is a download, but you can order a free Educator installation DVD if you would like a physical backup and a way to install SmartMusic without an Internet connection. A single DVD can be used to install SmartMusic on the educator's and practice room computers.
