

# Student Enrollment for Individual Students

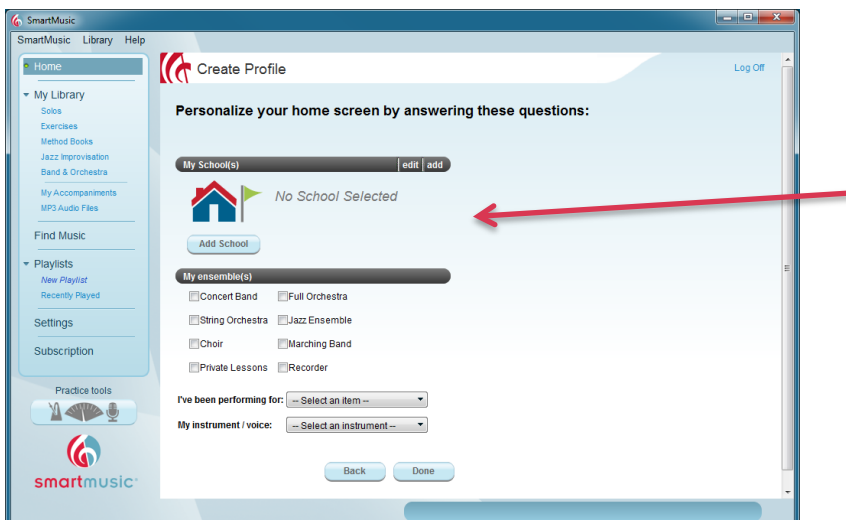

Teachers, you may copy and distribute this document to your students so they can enroll individually in the SmartMusic gradebook.

It's easy for students to enroll at home or in a practice room so they can receive SmartMusic assignments! Here's what you need to do:

1. Open SmartMusic, and log in on the SmartMusic Home screen.
  - You must be online.
  - If you have a SmartMusic account, log in.
  - If you don't have a SmartMusic account, click on "Create Login."

2. Create your personal profile on the Create Profile screen.

3. On the My Home screen, click “Enroll.”

4. Select your class.
